Kidmore End Pre-school contact permissions

We like to contact parents/carers in a variety of ways, including text alerts and by e-mail. In this way we can keep you informed about news that affects you and your children, including closures due to snow/elections or to remind you about a special event happening at pre-school. We also send out our newsletters by e-mail to reduce the amount of paper generated by pre-school communications.

For those of you who give permission, you will be added to the 'Pre-school contact sheet', an invaluable piece of paper that enables you to contact the parents/carers of children that your child is desperate to play with! Your data will be treated with care and not passed on to any third party. If you have any questions, please ring or e-mail me, Caroline Aldridge on 0118 9723700 or enquiries@keps.co.uk.
